## Personal Details

Nationality :  
Egyptian  
Gender : Male  
Marital Status:  
Single  
Date of Birth : 13-  
03-1995

## Career Objective

I am looking for the honour of joining an organization that has a reputation of excellence in its field such as your company.

I know that your company cares about its people, develops and invest in them.

This is a real challenge to work for you. It is the kind of challenge I like to meet.

I am eager to consider new challenge and development, which I would expect to find in a company like yours, to build my practical experience as a financial accountant.
