EXPERIENCE

WaffleTime Inc., Arsenal-Arduana St., Iloilo City, PH- *Graphic Designer*

AUG 2022 - PRESENT

- Together with the marketing team, develop aesthetically engaging designs for a variety of marketing products, including as presentations, print collateral, social media graphics, website assets, and promotional materials.
- Create eye-catching visual concepts from creative briefs and ideas that successfully communicate the brand message and appeal to our target market.
- To preserve a consistent brand identity throughout all projects, make sure design components like colors, font, and visuals are used consistently.
- To fit the needs of the project, work with photographs and images, editing, retouching and manipulating them as necessary.

IQOR, Iloilo Megaworld Business Park- *Customer Service (Technical)*

NOV 2021 - FEB 2022

- Using a variety of communication methods, such as the phone or email to respond to customer questions, issues, requests and sell them our products..
- Offering detailed information about products or services to help customers make informed decisions.
- Assisting customers in resolving technological issues with products, services, or online platforms.
