January 2023–Present

Working as a Cashier and completing individual target of Remittance every month. Having knowledge of Software and money products.

### Marketing Executive

LM Exchange, Sharjah.

January 2022–January 2023

I have worked as a marketing executive. Have grown branch business by Promoting different promotions through different activities and Strategies. Created relationships with customers. After making these efforts, The branch transactions increased from 3000 to 5000 in very short period of time. The transactions are increasing every month due to continuous efforts. I have also worked on WPS. Had got leads every month. Converted them into Remittance.

### History and Geography teacher

Shaheen Public School Karachi, Pakistan.

2019–2021

I have worked as a social studies teacher which include History and Geography. As History and Geography consider very boring subject for the majority of the students. For making it interesting, I used different strategies so students don't get bored. I had made different lesson plans. Showed them multimedia slides every week related to the topic. I trained them for ECA(Extra Curriculum Activities) including Debate, News Fuse, Dance etc different competitions to make them creative.
