

IQBAL HUSSAIN

Career objectives

To face challenging tasks as a member of the organization which promotes my personal and professional growth and supports me to contribute effectively to the growth of the company besides to betterment of humanity.

Work experiences

Current position held

Branch Manager

Activities and responsibilities

Overall management and development of business of the branch by marketing FMBL products and services, is my responsibility. I added my contribution to branch by achieving asset sale targets in competitive and challenging environment. I also put my branch on reasonable place in network by managing staff. I also minimized the loss of the branch by avoiding high cost deposit, extra expenses and by collecting NPLs.
