

AUN ALI WASAYA

A TEAM PLAYER , AN ENTHUSIAST
AND A QUICK LEARNER !

ABOUT ME

My name is AunAli Wasaya, and I have 09 years of experience of the Practical Industry, like how it goes. In this tenure I have learned how to be a team player. How to be effective with communication in order to resolve issues for the betterment of the Organization. Alongside that I am a versatile web designer with a strong foundation in graphic design. I blend artistic flair with technical expertise to create visually appealing, user-friendly digital experiences. Apart from that my passion lies in solving problems, staying updated with industry trends, and learning new techniques. With an eye for detail and a dedication towards excellence, I always strive to bring a unique blend of creativity and problem-solving skills to every project to achieve perfection. Let's work together to achieve success together.
