PROFESSIONAL EXPERIENCE

Geojit Financial Services, Kochi, India Associate Analyst (Equity/Forex Markets)

2022/05 – 2023/10

- **Report Generation:** Prepared and delivered daily morning reports on Equity and Currency, analyzing market trends and providing actionable insights to clients.
- **Article writing:** Created and delivered the monthly currency insight article, highlighting key macro trends shaping the Forex markets, and received positive feedback from clients and stakeholders.
- **Devised Trading Models:** Devised and executed actionable trading models by applying statistical analysis and quantitative research methodologies, leading to a significant enhancement in strike rate and overall trading performance.
- **Quantitative Analysis:** Conducted comprehensive data analysis across diverse data sets, employing advanced analytical techniques to extract actionable insights, and thereby providing critical support for making well-informed investment decisions.
- **Content Review:** Executed thorough content reviews of vital reports and media queries, ensuring error-free and refined content; improved publication quality and reader engagement by 50% through precision in proofreading and editing techniques.
- **Newsletter Management:** Developed and managed the 'Geojit Weekender,' a captivating internal weekly newsletter integrating market insights, driving an increase in employee engagement and fostering a culture of continuous learning and growth.
