CAREER OBJECTIVE

As a versatile and enthusiastic professional with a passion for learning and teaching, I aim to leverage my diverse background and experience in IT, Business, Management, Accounting, Sales, and Medical fields to contribute my expertise and skills in a dynamic information technology or any relevant role within a values-driven company. With a hunger for continuous improvement and a strong commitment to teamwork, I aspire to work collaboratively with like-minded individuals, fostering an environment that fosters personal growth while collectively striving to achieve the company's goals and objectives. My goal is not only to enhance my own knowledge but also to guide and support others on their journey to success.

WORK EXPERIENCE

- 2022 - 2023**
Senior IT Analyst
Kore Facilitation, Kore Search and Kore Kode (Dhaka, Bangladesh)
As a Senior IT Analyst at Kore Facilitation, I played a pivotal role in providing comprehensive **Graphic design, Website development, UI/UX design, Digital marketing, and SEO** solutions to our esteemed clients. Collaborating closely with the company's clients, I ensured a deep understanding of their requirements and delivered top-notch creatives and tech services to meet their business objectives. Moreover, I took charge of managing the company's IT team, achieving a stellar team management rating of 5/5. Additionally, I facilitated and executed MOU signings with clients, forging strong and lasting partnerships. Through my dedication to excellence and effective leadership, I contributed significantly to the company's growth and success in the ever-evolving IT landscape. I worked here as Senior IT Analyst from Feb 2023 to Oct 2023.
- IT Associate**
I worked for this company as an IT Associate at Kore Facilitation. I excelled in **Graphic design, Website development, Digital marketing, and SEO**, effectively utilizing my skills to create compelling visual content, develop user-friendly websites, implement successful digital marketing campaigns, and optimize search engine rankings, contributing to the company's growth and client satisfaction. I served as an IT Associate from Jun 2022 to Jan 2023.
- IT Executive**
I started my journey in this company as an IT Executive from Mar 2022 to Jun 2023. Proficiently handle **Graphic design, Website development, Digital marketing, and SEO** tasks, effectively supporting the company's technological needs and contributing to successful project delivery.
- 2020 - 2022**
