## About Me

I am a very good observer, listener, communicator and find it is easy for me to relate to other people. I am very much connected to multicultural environment of this region. This makes me confident to interact multidimensional and multicultural people. Early startup gave me an opportunity to understand the ins-and-outs of industry. With my current employer I am able to understand and implement and enhance some procedure and process. I really enjoy learning new things and am constantly seeking out new learning opportunities
