## SUMMARY

Driven and energetic professional with proven success in finance and following market trends. My expertise in these areas includes comprehensive market research, risk management techniques, and ability to build excellent professional relationships amongst contemporaries and industry leaders.

## EXPERIENCES

STOCK TRADER      SELF EMPLOYED

- Research and analysis of public corporations financial growth and opportunity/risk through investment publications, quarterly earning reports, and trading platform analysis.
- Purchasing and liquidating stocks utilizing online trading platforms.
- Effectively execute proper trading strategies such as understanding market timing and economic influences.

## HIGHLIGHTS

- Successfully performed property valuations of single family, multi-family and income producing properties in a timely manner.
- Effectively dealt with problem resolution.
- Professionally answered homeowner questions regarding their appraisals, (i.e. square footage and valuation).
- Accurately researched and identified property comparables for appraisals through the Realtors' Multiple Listing Service. Initiated excellent business relationships with mortgage and banking professionals.
- Dedication to continuing education and remaining current with real estate trends and industry guideline adjustments.
