ABOUT ME

My name is Amr, and I am 23 years old. I hold a Bachelor's degree in Law. I have experience as a Supervisor for workers at the Nile Delta Plastic Factory, where I oversaw daily operations and ensured efficient workflow. Additionally, I worked as a Delivery Manager in one of the pharmacies, where I managed delivery representatives to ensure timely and accurate delivery of medicines to customers. My background in supervision and management has equipped me with strong organizational and leadership skills. I am eager to gain more experience and skills to further enhance my professional development.

EXPERIENCE

Supervisor

2023 – 2024

Nile Delta Factory for Plastic Manufacturing, New City of Salhiya

Supervised and coordinated daily operations of factory workers to ensure efficient production processes.

Implemented quality control measures to maintain high standards of product quality.

Trained and mentored new employees on safety protocols and operational procedures.

Fostered a positive work environment, promoting teamwork and employee engagement.

Delivery Manager

2022 – 2023

Abu Al-Amr Pharmacy, Faqous City

Led a team of delivery representatives, ensuring timely and accurate delivery of medication to customers.

Developed and implemented efficient delivery processes to enhance operational performance.

Addressed and resolved customer inquiries and issues, improving overall satisfaction and service quality.

Trained new team members on delivery protocols and customer service best practices.

Collaborated with pharmacy staff to manage inventory and coordinate deliveries effectively.

Monitored delivery schedules and performance metrics to identify areas for improvement.

Maintained strong relationships with customers and healthcare providers to foster trust and reliability.

EDUCATION

Zagzig UNIVERSITY

2019 - 2023

Bachelor of Law
