## PROFESSIONAL SUMMARY

Passionate and adaptable professional with a strong foundation in optometry and a keen interest in exploring diverse career opportunities. Skilled in clinical diagnostics, vision care, and patient management, with a commitment to continuous learning and professional growth. Highly motivated to apply my expertise in new and challenging roles while contributing effectively to any dynamic work environment.

## WORK EXPERIENCE

- OPTOMETRIST**  
NAAS VISION CARE OPTICALS  
(2022 - 2024)
- Performed comprehensive vision assessments, diagnosing refractive errors and recommending appropriate corrective measures.
  - Educated patients on ocular health, disease prevention, and post-treatment care to enhance long-term eye wellness.
  - Conducted contact lens fittings and troubleshooting, ensuring optimal comfort and vision correction.
  - Utilized advanced optometric instruments to assess visual acuity, eye coordination, and binocular vision efficiency.
  - Maintained accurate patient records, ensuring compliance with regulatory standards and best practices in optometry.

## INTERNSHIP

- INTERN OPTOMETRIST**  
NAAS VISION CARE OPTICALS  
(2022)
- Assisted in comprehensive eye examinations, including refraction and visual acuity tests.
  - Gained hands-on experience in contact lens fitting and patient education on lens care.
  - Conducted preliminary screenings for ocular diseases under the supervision of senior optometrists.
  - Managed optometric instruments and ensured accurate diagnostic readings.
  - Provided personalized vision care recommendations based on patient needs and lifestyle.

- INTERN OPTOMETRIST**  
RAYHAN EYE HOSPITAL  
(2021)
- Assisted senior optometrists in clinical diagnostics, performing preliminary vision screenings and patient evaluations.
  - Conducted refraction tests to determine precise lens prescriptions under the supervision of experienced practitioners.
  - Supported pre- and post-operative care for patients undergoing refractive and cataract surgeries.
  - Educated patients on eye hygiene, contact lens care, and preventive measures for common ocular conditions.
