ABOUT ME

Born and raised in the UAE, I completed my schooling at New Indian Model School, Dubai. I hold both a bachelor's and a master's degree (MSc) in Mathematics. I possess proficient knowledge of the Microsoft Office Suite and Adobe applications. Known for being a quick learner and an effective multitasker, I also bring strong communication skills and a dedicated work ethic to any professional setting.

EDUCATION

St. Teresa's College – Ernakulam, Kerala, India
MSc. Mathematics | 2023 – 2025 | Awaiting results

St. Joseph's College for Women – Alappuzha, Kerala, India
BSc. Mathematics | 2020 – 2023 | 8.7 CGPA

New Indian Model School Dubai, UAE
Kindergarten – Grade 12 | CBSE | Science Stream

PROJECT UNDERTAKEN

Completed a project on the application of Linear Algebra in Neural Networks, demonstrating foundational understanding of mathematical principles in machine learning.

Attended workshop on Mathematical Modelling (SIR Model) to build a compartmental model for forecasting disease dynamics.
