Profile

I am currently looking for job opportunities, although I don't have formal work experience, I am looking forward to applying my academic knowledge, developing new skills, and gaining practical experience in a professional environment.

Education

Applied Technology Schools
Sep 2020 – Jun 2024 📍 Ajman

Volunteer Experience

Voluntary Community service program
Aug 2020 – Jul 2024

Volunteered 100 credit hours by volunteering for multiple community programs.

Achievements

Spelling bee

- Won in Spelling Bee – *Middle School 2017*
- Second Place in Grade 12 Advanced Competition – *High School 2024*
Achieved second place in an advanced competition, competing against different campuses across all UAE.

Projects

Automated Dentist Sterilization System

- Worked as part of a group to design and develop an AI-powered system to sterilize dental tools directly within the dentist's room, improving time efficiency and reducing costs.
- The project won first place in the class and ranked within the top 15 in a competition across all UAE.
